

Where do your child care fees go?

In my child care, you pay per "position/spot", which means that the position is held just for your child and is not based on attendance. What does this include?

- *Unconditional love & nurturing of your child - priceless.
- *Dependability, always available when you arrive.
- *Family environment, small ratio, family atmosphere, pets etc.
- *Craft supplies: crayons, tape, scissors, glue, paint, markers, paper, pipe cleaners, etc.
- *Daily reports on how your child is doing, what they ate, and things learned etc.
- *Nutritious meals & snacks according to the Child Care Food Program (and you know the price of groceries nowadays).
- *Treats: pizza, candy, and other things not included on a normal basis.
- *Toys, games, puzzles, books, movies, upkeep of outdoor play equipment, riding toys, cribs, bedding.
- *Training, CPR, nutrition classes, safety classes, safety abuse training, etc.
- *Birthday & Christmas party supplies & gifts, as well as parties for other holidays.
- *An extra dishwasher load for daily sanitation of toys, extra dishes, etc.
- *An extra load in the washer/dryer for blankets, clothing towels and wash clothes for the children.
- *Utilities: electricity, gas, water, cable, phone, garbage etc.
- *Furniture wear & tear, cleaning, replacing, repairing rips & tears etc.
- *Cleaning supplies for floors, dishes, laundry, toys, furniture etc.
- *And the list goes on.....

And in closing, please remember to be considerate and kind, please remember to pay on time, when it comes to your children, I am caring, thoughtful, helpful & true, I just ask for the same respect, and consideration from you. THANK YOU!
